Dearest Cathy, I am so very sorry to read of your loss. May your years of memories be the thread that keeps you close to family. I remember our breakfast surprise with Larry coming around the corner in his briefs ~ forgetting you had a sleep-over friend. Over the years the newspaper has kept me "close to home". May you be ever so peaceful in life to come. Love Hugs Kisses and Prayers....

Deepest sympathy to all in the family. Chuck has lost a brother in law a few days ago also. We are not able to make either services with more than 12 hours apart, and the weather as it is, we will not attempt the trip.
