The rural school Susan went to was District 39 and Susan went there from 1955 to 1962. Information on the school is "District 39" on facebook. I was in school with Susan for a couple of years and would be glad to share information about the District 39 if anyone is interested. We lived a half-mile west of the Broer family. Don Schreiner

Susie was a wonderful person. She was quiet but friendly & kind. We had such fun on all the company trips, conventions & various parties & activities. And she had the most infectious giggle! Our deep sympathy to Jim, Travis & Somer & families. May the fond memories you have be a comfort during this most difficult time.
Sincerely with love,
