“ As we all we know Alan was a huge Husker fan, he got some tour from ex-husker players before a game one time, he called me up because he had Demoine Adams with him and wanted to have me talk to him and I'm a big Husker fan as well, I was having a brain fart and couldn't remember who that was, so Alan in his way had to find a way out of that one. But he sure gave me a much deserved verbal beating for that one later. RIP Big Al
