“ Dave was, what I refer to as "one of the good guys" in all the years I knew Dave, I rarely ever heard him have a bad word to say about anyone or anything. I never heard him complain about his health, which I knew was an ongoing struggle. My favorite memory of Dave was when our family came up and stayed at the farm, rode horses, and went to the Antelope County fair! Even though, at the time, I had known Dave for twenty some years... I felt like I really knew who he was, and where he came from! he was definitely a "country boy" at heart! I Although Dave was reserved, I don't think there isn't anything he wouldn't have done for anybody! I just want to offer my deepest condolences to Barb, April and Shawn and there families, I know its tough, but may all the great memories carry you through this difficult time. Jim Stier

“ My favorite memory of Uncle Dave was always at the Madison County Fair. He would have his cowboy hat on and seemed to just be in his element and so happy while walking around enjoying all the fair had to offer. His smile, chuckle, and quiet demeanor will be missed. He never said much when we were all together, but when he did speak up, I recall it was witty, snarky, and made me laugh.RIP uncle Dave. I find peace knowing you, dad, and grandma & grandpa are together again.
