“ *There are too many memories to share here right now. Alan and I went through high school together. Our lockers were right next to each others. Alan got his license before me and we would hang out every weekend in his Camaro cruising "O" street. We did everything together and I even worked for him at Village Inn for a while. I spent as much time at his house as I did with my parents and siblings. Alan was a great man and will be missed by his friends and family very much. Rest in peace my friend rest in peace.*

I just learned of Alan's passing. I am saddend by this news. Alan and I went to Holmes Elementary School in Lincoln when they moved to Lincoln and both graduated from LSE in 1981. We had some great times together all of those days, especially in middle school!

I had tried to find Alan a few times as we didn't live too far away from each other in northeast NE. I'm sorry I didn't get to make contact. Rest in Peace Alan.
