Alice was born on January 8, 1926 in rural Stanton County to Josef F. and Marie (Srb) Cerny. She attended Stanton County rural School District #24. She took care of her father and helped him on the farm until his passing in November, 1966. Alice enjoyed craft work and crocheting and made some beautiful afghan blankets which were given to various members of her family. She enjoyed all the craft, entertainment, animal visits, and activities at St. Joseph's. Alice enjoyed being interviewed by the student nurses for the care plans they had to

do for their nursing studies and was always willing to participate in this part of the student nurses' program.

“ *Alice was truly one of a kind. We loved her so much at St. Joe's. She was a regular activity attender and always had something to keep her busy in her room. She loved pet visits and her voice and facial expressions showed it all when they'd walk in the door. I would always give her a hard time about how I never got that kind of greeting when I walked in her door. She had the most beautiful smile and always showed her love by sending cards to her loved ones. She rarely missed activities at St. Joe's but when she did it was usually because she had cards to write/send out or she needed to fit in her afternoon nap. She was truly a gem and will be missed so much at St. Joe's. RIP sweet Alice!*

“ *My family rented the north farm from Mary and Bill way back in the late 70's/early 80's south of Stanton. They were such nice down to earth people, Mary included. Fond memories of them!*
