“ *My sincere symphay to Beth's family members. I remember her well as my neighbor, friend and companion in riding the school bus when we all lived South of Creighton and attended Creighton High. Our parents were also friends so I have fond memories of the Werner family. I will keep you all in my thoughts and prayers. Lois K. Moser*

“ My best thoughts are with the entire family. Beth was always more than kind to me. Didn't get to spend the time with her i would have liked, but what memories i have of her are very nice ones. She was one of the best cooks in the world, there seemed to be some magic in those tiny little hands.
