“ *My sincere sympathies to your family at this time. Your mom was special to me and my family for many years. In fact your mom knew me from little on. When I see the picture her smile is the same as I remember. Always ready to give a helping hand when we needed it. From Ladies Aid to the thrashers bee to even taking a shine to my oldest daughter your mom was one in a million. Even when my mom got sick she tried to help as much as possible. I will miss her*

“ Please accept out condolences. I did not know Betty, but my Gramma was a Synovec from Pierce. Her name was Emma (Synovec) Jelinek, and I am sure that she knew your Mom and Dad.

Sincerely,
Steve, Shala, Joe, and Josh Carter

“ Carolyn , JoAnn and families,

Sorry for your loss....always enjoyed visiting with your mom. She had such a good sense of humor. You were one of the few to still have a living parent...you were blessed. May God grant you peace and comfort during this difficult time.

Oh Betty I sure miss you, you were one of a kind, friend to any in need, someone to laugh with someone to cry with someone who would drop everything when your neighbor called. Thank you for all you taught me. My sincere sympathy to your family at this time. I will miss you my dear friend.
