“ *Skeet was a wonderful woman who touched so many lives! I have so many fond memories of her out at the lake for holidays, summer swimming, etc. She had such a knack for making people loved and accepted for who they are. I am so sorry for your loss! Skeet I love you dearly, until we meet again.*

“ Skeet was a wonderful loving lady! She stepped into our lives and we(my 4 sisters and I) had no idea what a treasure she was! After losing our own mom we never dreamt that God could fill that void. After Skeet and Dad were married she started treating each of us girls as if we were her own. She embraced each of the children we had and said she was their grandmother!! She loved on each one of us in such a special way. She opened her heart and her home to us. She taught us much as we navigated motherhood. If God can give you another incredible mother in life, He did that through Skeet. We all loved her deeply. We will truly miss her.
