“ *Renae, I just ran across this news, and I'm very sorry for your loss. I met Brad once or twice after you and I worked at Becker's, and he was a good guy. Take care, and I wish you all the best. Charles Heermann*

“ *Sorry for your loss Renae. Brad was a good man and an old friend. Many memories of him and I fishing and hanging out together. His family was very kind and helpful to others. I can still remember Brad and his digging dinosaur bones in his backyard. Also, his great love for kayaking. His neighbor Bob and him always working on building them in Bob's garage. Praying that you will find peace and happiness knowing Brad is with his loving Savior in Heaven now.*
