“ *I have known Brandon for 33 years. He was always happy no matter what. He was a great friend to anyone who had the time. He was typically quiet as a kid and as I can imagine the best of friends as an adult as well to anyone. I last saw him a couple of months ago as he was smiling and made a beeline to see me and say hello at the monster truck show. We talked a bit and I could tell he was in pain. He no longer is as he was saved and will greet me in Heaven someday with a beautiful smile! I look forward to that!*
