“ *Lisa and Corey,*

I just heard on the news the story on the charges listed on the other driver but I didn't see it initially.

I remember that sweet, happy happy little boy and I know how much you loved him.

I am soooooo sorry for your monumental loss. I can't imagine your pain....no one can...but please know that I am thinking of you both and have you in my prayers.

You have each other, your faith and wonderful family to give you strength and you and I know you'll see him again.
