“ *I remember taking my youngest daughter to camp assurance for the first time and Makenna was kinda nervous at first but she didn't want me to leave yet and we were over by a outside game and Candace asked her if she knew how to play and asked her if she wanted to learn and showed her and they hit it off big at camp that week and became friends after that day that was around 3 yrs ago she was a wonderful young lady with strong faith and she had a great impact on Makenna as well as I'm sure many others. Our condolences for all the family and friends and continued prayers and hugs!*

“ *I remember Candace as the little girl I worked with in Kindergarten who always had a smile and a hug for me. She sometimes sat on my lap during class. I also remember the bubbly, joyous beautiful ray of sunshine she grew to be in junior high and high school and what an asset she was to the plays in directed or co directed. She was very special. Very loved.*
