“ *Kevin and I are thinking of your family, and praying for you, during this difficult time. Kevin used to join my dad on occasion when all the guys went to coffee at The Granary. Dad talked about Carl a lot. They've been friends a long time. I'm so sorry for your loss.*

“ *Carol and I enjoyed camping with Carl and Betty several times in years gone by. In the years since we both lost our wives, and the last few years since I've moved away from Norfolk, Carl has always kept in contact. I will keep your family in my prayers. Duane Klug*
