“ I truly enjoyed meeting Carol in her latter years of life. She was always my little dollies! She enjoyed looking at the birds in the aviary with me. She was always kind and pleasant. She did have her mischievous side to her. I am blessed to have worked closely with family members. I consider it an honor caring for her during her stay at St. Joe's. Just me. “ I enjoyed working with Carol at Buckle. She was so much fun to be around. I enjoyed stopping by for a visit after work. And it was always a good time when we would meet at Carol's house, sitting on her deck having drinks and snacks. I will miss you dear friend. God bless your family.
