“ Rusty, Brad, Teresa and Charlie! How sad I was to see the passing of KoKo! We have so many wonderful memories of her when she babysat the kids! Always pleasant, talkative, and so good with the kids! So sorry we cannot be at the services, but you all have our prayers and regrets. she was such a wonderful woman who we will remember always! Saw she was in the nursing home, so don't know what happened but we know how much she will be missed by many! Hugs and more hugs! Old friends.....Hank and Mary Kay Krings. Columbus

“ Sending prayers to the Parker family. KoKo will be missed by all who knew her. She was the best neighbor I will miss our front porch chats.

“ *Colleen was a sweet and warm lady! She always had a smile ! I pray for her family, and send hugs to all! I knew her when I was just a little girl and would help her to the best of my ability when she had her babies! I lived across the street from the family when they lived on Pasewalk! Over the years I ran into her periodically and she was still kind and wore a smile! God Bless you all!*
