“ Oh my god. A SHOCK!!!! I remember the years that Connie and I were friends in school. We went to proms together. We had sleep overs many times and I remember coming to her dad's birthday party. We always kept in touch over the years and visited her and Jon at their home a few times. Always the person that would be there when you needed someone. I will miss her so much. To the family I May god watch over you all at this point in time and for many more years to come. Losing someone that is so close to you is hard but keeping the memories alive helps. You all are in my prayers!!!!
