“ *Connie was a great friend. We met in the 8th Grade at First Trinity Lutheran School in Bloomfield & were friends all through high school. We attended slumber parties at each other's homes & even did a couple of double dates.. I am so sorry to hear of her death. Your family has my deepest sympathy.*

The last time I saw Connie was right after our 50th Class Reunion. My husband & I stopped to bring her the class news & a cd. We laughed, cried and shared some memories. I will not be at the funeral as we are out of state.

“ I was the Human Resources Manager at the Norfolk Regional Center during Connie's employment there. I always enjoyed my interactions with her. She was always so pleasant and friendly. She was a good employee, but an even nicer individual. She had introduced me to Bernie and I enjoyed my visits with them when we would meet one another in the community. All of you are in my thoughts and prayers.
