“ *I still laugh at the story of the first time uncle Darrell and uncle Dave babysat me for the first time. I guess being the oldest niece someone had to break them in for taking care of kids. You will be missed greatly!!*

“ *I will never forget his smile, he had a very distinct smile and laugh. I didn't get as much time as I'd like with him but those two things and much more will never be forgotten. I am so sorry for such an early departure, you will forever be in mind and my families thoughts.*
