“ *Ann and I would like to express my sincere condolences to you and your family Cindy. I know how much David was your beloved husband and dear friend. To me, David was a friend, a kind sole and gentle person and I have always had the greatest respect for him.*  
*I know it is a great loss for you in particular. Many of us have admired how you have been tirelessly and heroically been by his side, loving and caring for him in his hours of need. What a great comfort that must have been for David. I know how much you loved each other; it was obvious whenever you were together.*  
*I am blessed to have spent many memorable times at Neligh High School with him. What an honor it has always been to have known him.*  
*Again, our deepest sympathies are with you and your family. You all are in our prayers.*
