Deldina and I were friends as teens. She, her dad Dallas and her mom Frieda were such beautiful souls. I lost track of her when my family moved. I always wondered how they were . Rest in peace my friends.

“ So sorry to hear of the passing of Dede. She was such a joy and generous person to know. I have fond memories of her helping me in my first grade classroom at Sunny Meadow with my bread sculpture unit. She would pick up each students “masterpiece” and bake them in her oven then return them to the classroom for each delighted student. . She so enjoyed the students excitement when seeing their baked finished bread sculpture. She even did that for me when Kyle & Nicole were not in my classroom! I soo appreciated her help with many other art projects as well. Always there to help. She was a bright light and may she Rest In Peace. My sincere condolences to David, Kyle, and Nicole. ❤️

“ I have known DeDe since our KMart days. I think we met in either 1982 or 1983. We always remembered each others birthday. Hers 6/8, mine 8/6. We went on a trip to Glacier National Park long ago and had our picture taken by the road sign - Spread Eagle Road. We 'posed' for that! She was crazy fun and had so many stories! She was an incredible cook, too! I went to their house for Thanksgiving dinner one year and she made pheasant under glass and the best stuffing I've ever had! I love you, DeDe and I am happy you don't have to struggle, but I sure will miss you. I'll see you 'up there' someday if I'm good.
