“ *Dear Ellen and Jim...so sorry to hear of "Mrs. Wilson's" passing...didn't find out until today, due to the little one having 11 straight days of softball, and 24 out of the last 27. I hadn't received any "Dennis the Menace" cards these past few years, which I sorely missed, so we wondered if she'd already passed. I'm glad she got to have these last few years with you guys though, and I'm also glad we had such a delightful time with her and "Mr. Wilson" at their old neighborhood house some time ago...it was one of my favorite all-time memories. Retirement and becoming a Christian really relaxed Mr. Wilson, and Mrs. Wilson was a sharp-witted, upbeat humorous gal who I wished we could've had family reunions with. She was that neat! But at least we'll have the ultimate family reunion in the sky to look forward to, the one that matters the most, and Mrs. Wilson will be her sharp usual self, restored completely because of her faith in the Ultimate Restorer Himself! My sincere condolences to both of you, but also congratulations, for having one of the nicest, neatest moms ever! Sincerely, Joe (Morris)*

“ *Rosalie Tyer lived at the Walter and Delores was a friend to her. This was appreciated because Rosalie has some challenges and not everyone is kind to her. She missed her kind friend. Hope Peterson, Rosalie's sister*
