“ Sharon & Family - We were so very sorry to hear about Dennis. I remember first meeting him and you when I purchased several ceiling fans from your store, probably back in the late 1970s. I think you were located in the strip mall on West Norfolk Avenue before relocating downtown. I later became acquainted with you when you were hired at NRC. I always enjoyed saying hi to Dennis when I would see him out in the community. You all are in our thoughts and prayers.
