“ *My sincere condolences to Don's family. Just learned of his passing and wanted to share a memory. Don and I spent about 18 months together on Okinawa as co-workers and were roommates in the barracks for a portion of that time, couldn't have asked for a better person or roommate. I made contact with him some 15 years or so ago, but unfortunately, we lost contact again. Was trying to reconnect when I found his obituary. Again, my sincerest condolences.*
