“ *Unfortunately, Doneene and I have been out of touch for a while but I have many memories of her in our younger years. I remember wading in Rapid Creek behind the house with Doneene and Mike - we even had it dammed up a bit so we had a little swimming pool. I spent a month or so one summer in high school helping Doneene with motel chores. She taught me all kinds of things - from making square corners on the bed sheets to personal care to slow dancing with a guy without letting him get too close. It was a good summer - had a lot of fun!*

June so awesome to hear these memories. I had always heard mom and her brother Mike could cut a rug. I too waded in the creek when we lived on Western Avenue and tubed the spillway at Canyon Lake Park. She may have taught me a few things about cleaning Motel rooms at a very young age. Thank You for the pictures of her life in my mind! God's Blessings to you!
