“ *Aunt Donna was an amazing Aunt. So many memories of family reunions and her always with a camera. Being a kid and going to visit. She gave great advice when needed and wasn't afraid to tell someone they were wrong. I am sure the reunion in heaven with her sisters and Mom and Dad was something to smile about. I feel blessed to have been able to call her Aunt Donna. Love you, Debbie*

“ *My sister, my best friend. The memories Donna and I made over the years would reach to the moon and back. Whenever I needed someone to talk to or cry with, Donna was there. Donna lived her life the best she could. Best of all she was true to herself and she had a double dose of common sense.  
Well done, sis. I will miss you. I will speak your name often, with admiration and with much love...always and forever.  
Fly high and take beautiful photos.*
