“ I am so sad to hear that Drew had died. I knew Drew from his faithful work at Northeast at the J.P. & Eleanor McIntosh College of Nursing. We would laugh and talk about life and love and faith in The Lord. He shared stories of his love for his wife, children, grandchildren, riding motorcycles and life in general. Last spring I had started a really hard cross word puzzle and had it out in my office for anybody to help put together. Drew frequently visited to help finish it. His sweet, compassionate and real personality was such a joy to be around. I'm very grateful that I will see him again as we share the truth that Jesus Christ is The Lord. My prayers for peace and assurance go to the family. Fond Memories! Annette Kasselmann
