“ *Please accept my sincere condolences on Dwain's passing. He was an important member of the east bus group to Center High, and I knew his parents, too. (He graduated two years behind me.) I'm impressed by his variety of occupations and his military honors for his Korean service and funeral. I've missed our alumni gatherings and was glad to learn of his 60th anniversary and family. He led a rich life!*

“ We are so sorry to hear about Duane's passing. We send our thoughts, prayers and deepest sympathies to the family and friends who will grieve and miss him.  
Duane was always ready with a quick smile and greeting and we enjoyed short visits when I worked at the elevator, or meeting on the street.
