“ It was an absolute pleasure to work with Eddie. He was a stand up fellow employee and someone that you knew walked the walk and did not just talk the talk. Will never forget the wonderful conversation I had with him at the RDO Truck Center Christmas party a couple of years ago and hear the joy in our conversation talking about his grandson and son and the wonderful times they had spent together. You could tell he was very proud of both of them and cherished those times. I am sure this is very hard for the family, but I pray that you can find some peace in the fact that he was blessed with a full life and a full heart thanks to the blessing of his family.
