“ The way I will always remember my great grandma is when I was younger, every year she & my great grandpa would have a Christmas gathering for family at their house. My great grandpa was always in his recliner watching TV smiling when spoke to & my great grandma was in the kitchen washing dishes, cooking, socializing with family & smiling. Kids were all downstairs, laughing, playing games, socializing with one another. Thats how she made life for everyone in her life. She made everyone loved & feel important. I will always remember her smile, her laugh, her funny jokes, her love for RC Cola & how everytime she saw her grandkids/great grandkids she would offer one to them. She was the kindest soul & I she will forever be missed. I will always miss saying hi to her when seeing her for family Christmas's as well as hugging her goodbye. Rest in peace great grandma 🕊️👍
