“ *I came to know Mr. Eldon in January of 2019 when he came to the Meadows. I am the Chaplain there. I was able to hear military memories and fishing stories and he attended our chapel services on Sunday. Was also able to eat at his table to learn his likes and dislikes when it came to food.*

*Just ache for your whole family and pray for strength in your grief walk. God bless you all and comfort you as only He can do.*

“ *May the Good Lord be with you as you bid farewell to your father and brother, but with the promise of reconciliation in the Heavenly Kingdom. My sympathy is with you as I recall being with Eldon back on the farm years ago when we were youngsters living north of Howells. It was a joy to meet with him and the other Cousins of the Year 1932 in more recent years.. We shall always all cherish those memories.*
