“ *I have many fond memories growing up a few miles from Merlin and Edith's farm. Dad, Mom and I spent many evenings visiting them after milking all those cows and a special joy was when the family came for a visit: Norfolk, Omaha, Colorado. I still remember the little band with trumpet, was tub and wooden spoons and Edith's piano where we enjoyed music together with June's family. Edith taught me how to crochet. My memories would go on for too long if I typed each one. You each hold a special place in my heart. Our thoughts and prayers to you all at this time. Love your cousin, Robin Stevenson Dennert*
