“ *Dear Burt, Amanda, and Eric. We were saddened to learn of Aunt Esther's passing. It had been a while since we had seen her, but we do have fond memories of days spent with your family in Norfolk. The pictures that you shared on this site show what a wonderful smile she had. I remember traveling with you all back to Colorado as a child, and then Grandma Wantlin and I took the train back to Nebraska. Many good memories. We hope that the memories you have will bring you joy in the days and years ahead. It's always hard to lose those close to you - as you all know too well. Our sympathies to you all.*
