“ My sympathy to your family, I grew up with the Mattson family, graduated with Stan, good friends with Janet and rode the school bus with all. As the years have gone bye, anytime I would see Evelyn, she would always know me and stop to talk. She will be truly missed. Brenda (Birch) Mather

“ I have so many memories of working with Evelyn, when things got hectic in the kitchen she would always say "Well kid, are we having fun yet?" Through the years when I would see her, she would always ask me that, and her cards and letters were signed with it as well. So, Evelyn, I hope you are having a blast in heaven, you deserve it! To her family, I extend my sincere condolences for your loss.
