“ *Enjoyed Florence & Dick for many years visiting each other but for living several miles apart being able to only 3-5 years. Had lots of fun. Jack has more memories than I do since he and Dick are brothers. They are both enjoying their time with their savior Jesus Christ. I know their grand children and great-grand children will miss her. My thought and Prayers are with them. Love Jody & Jack Porter*

“ *I knew both Florence and Dick when they were employed at the Norfolk Regional Center where I was the Human Resources Manager. Florence and Dick were good employees and good people. All of you are in my thoughts and prayers.*
