“ *Sorry to hear about Junior's passing and my condolences goes out to his Family. I knew Junior cause we both attended Washington and Norfolk High and we were both confirmed at Peace Church. I recall many good times we had at Washington school and church. One time at summer church camp we were both asked by the camp counselor to leave the camp's pond cause we got into a water splashing incident with our canoe paddles. We were then banned from canoeing for the rest of the camp. But that was ok cause so was our Pastor and some of our other church campers. Over the years we have gone our separate ways but Junior will still be missed by those of us who knew him.*

“ *I didn't know Junior Talbotts name but I knew his face. I bought lots of feeder pigs and sold fat hogs at sale barn. And he was the one that helped load and unload pigs. Then my son married Juniors niece, and that's when I made the connection.I knew who he was. He was a nice guy and will be missed. Ron & Judi Brandl*
