“ My favorite memory of Gabe was our chiropractic clinic trip to Madagascar and spending a week with him in Europe. We visited Paris, Barcelona, and Rome. Literally so exhausted from running around seeing everything, getting no sleep in the hostels we ended up getting a nice hotel room and slept for half a day. Gabe was a great guy and am very sad he is gone. My condolences to his family.

“ We were so sorry to hear of your loss. Please know that our most sincere prayers are with you as you mourn. We think of you often as we do Jim & Vicki and miss having all the fun activities across the street. There were always kids and running and laughter. Hugs to you both and your family at this difficult time.
