“ *So sorry to hear about Gladys. I did talk to her at the hospital but I am not sure she knew who I was. Her son Dave had given me her number.*

*We always enjoyed Gladys and her telling about her teaching experiences. She had a lot to share. Sorry we were unable to attend the funeral but our Iowa weather has been something else. Our thoughts have been with you. May Gladys rest in peace with no more suffering. Gladys was my first cousin as her dad and my mother were brother and sister.*

*May the many fond memories help you thru this time. She will be missed.*

*Take care, LaVonne Harker*
