“ *My sincere sympathy and prayers. Glenda was such a delight to know, from working at the Madison Court House, I did abstracting and Title Ins. for an attorney, but our most fun times together was bowling. We especially had fun when we went on our annual State Bowling Tournaments with the Madison bowling gals. In the latter years whenever we would meet, it was so fun chatting and laughing together. Again, my sympathy and prayers.....Heaven has gained what we've lost, a true angel. Judy Godel*

“ *My dear Glenda, who always had time to listen. Our conversation's were about a number of things, not so much about herself, but more about the person that called, I will remember you always for that spirit to light up a room with a smile or a remark. Rest in peace my dear cousin* 💖💖💖
