“Joyce and families...so sorry to hear of Glenn's passing!! My condolences and sympathies to all of you at this time!! We had many good times together fishing, hunting or just getting together to shoot the breeze! ha. Was just telling my Grandson Eryx about the time the guys went fishing out to Merritt and the guys knew these other guys who only caught one fish & the one guy poured gas on it to clean instead of the water!
We can always laugh at the memories! Take care.
