“ *Richard and family, the heart and soul of the Doffin clan will be so greatly missed. I pray you are comforted by all the wonderful memories of the amazing woman you called wife, mom, and granny. Gloria had the very biggest of hearts and the most beautiful smile. She had a gift for welcoming strangers into her life and home, and making them feel like they were genuinely part of her family. It was truly a blessing to have known her. Sending loving thoughts your way, Nicki Cook*

“ You ALL are in my thoughts & prayers.. I can't help remembering when I first met Gloria; she was one of my OB patients on third floor in the "old" hospital! I learned she had three little boys @ home & now, had twin girls!! I thought she must be Superwoman!! And there have been many times I still thought so. I was amazed at how she & Rich started a new business in a small town and made a huge go of it!! She was always a big part of the success, I know that. I treasure the memories and the laughs..
