“ My deepest heartfelt condolences to McKenna, Gary, Janet & Jason. I am shocked & saddened to find out about Greg passing. Greg was a big part of my youth & remained dear close friends. Greg was a hard working great guy who loved his family very much. We would always talk about you when he called every month or so. Jason, he would talk about ya'll fishing together. McKenna, we talked a lot about what car to get you. Janet, he talked about his worry with your health scare & the twins. Greg, we talked about all you had going on. I knew when he didn't call for my birthday something was wrong, then I got really sick. So when he still never answered my messages I got the worst sick feeling & knew I'd never hear his voice nor see his smile when he'd visit me in Lexington again. My heart is torn & broken. I feel so sorry for all of you. God bless you all. I'd love to talk to McKenna again, if she'd call me please 816-419-7063.
