“ I met Butch while we were both working at Gurney's Seed and Nursery in Yankton SD. He was never at a loss for words and was a very dedicated and reliable worker. I remember telling him a story about a girl I met at a Saturday night dance in Lesterville. His expression was one that made me think he also knew this girl but, he never told me and I never saw the girl again. May he now Rest in Peace. Condolences to all of the relatives for your loss.
