“ *I will always remember and cherish all the times we spent together either for football at my games or at the bama games or when he helped me get to the level I am at for baseball. He always helped us when we needed it. He just always knew what to say when I was mad . I just want you to know how much I love and miss you .*

“ *Harvey was a great guy who always welcomed us with open arms and even let us stay when we had to evacuate our house last spring during the flooding. We will miss his sense of humor and the way he would tease Neil about the Sooners. May you be at peace Harvey.*

“ Heaven has gained a wonderful man. I will miss you Harvey everyday of my life. I go to sleep crying and wake up crying. The shock of losing you is unbearable. You had a soul just like mama. There use to be four of us siblings and now there are two. The circle has been broken, but we shall all meet in Heaven one day. I have so many memories that I will cherish always. You were wise beyond your years and you always there for me. One memory that I had was back in our school days. I use to wait for you to turn onto our street where we all grew up. As soon as I saw you I would run to meet you. You always had a dime to give me but one day you noticed I was crying and asked me why. I told you that the kids were making fun of my glasses. You tried to explain the Golden Rule to me. "Do unto others as you shall do upon them". I didn't completely understand and we went back in forth with me saying ok I'll do upon them. Lol. So many memories flash before my eyes. Oh brother you are so sadly missed. Till we meet again my love.

Memories from long ago in Australia ... The Yank in the Navy Uniform. The wedding with a break to listen to some major sporting event, the best hamburgers I have ever tasted, the bloke that put tomato sauce on a baked Coral Trout and the night we were all tossed out of a Nightclub in Cairns because Harvey met a Texan who spoke even more loudly than he did. Vale Harvey. Your memory will live on. Your ex sister in law Jacqui

“ I hope you remember me Kathy, Harvey was a good guy and we had a lot of visits at my office (Madison County Veterans Service). Harvey was a great asset to our community in many ways. Driving the DAV van to Omaha was just one of them. We had quite a few conversations about Alabama football and shared a lot of stories. He will be missed.
