“ As some of you know, I am her son-in-law. She didn't like me at first but fortunately she was an open minded woman and willing to adjust her opinions when warranted. I loved coming to her home for her famous egg drop soup and they are tasty. My wife (her daughter) claims that her egg drop soup is impossible to duplicate. R.I.P. Helen Devall and thank you for raising a gracious host of in-laws.....you and all of them are a pleasure to work with.
