“ *Aunt Ida had so much strength & will in her that she packed her bags to visit me & my dad in Panama. I was about 18 yrs old. It was the 1st time I had seen her since I was a baby. Last summer I saw her again for a wedding that she had declined attendance due to her health; but no, she wore her armor of God & made it to the wedding to see me once more. Love you Aunt Ida!*

“ *Auntie Ida as she always called her self would do anything for anybody. She had her bad times as well as good times as we all do. Will always remember Aunt Ida, Aunt Glenda and our Grandparents coming to the farm and cleaning chickens, freezing corn, or picking up potatoes as Dad always planted an abundance for everyone. Those were the good old days. Now you are raising cane with everyone that you loved and are angels also. God bless*

“ *Ida loved her family so much! She was always buying them something, food, clothes, and treats! I loved her hair and her "ready for the party" attitude. The last time I spoke to her we talked about God's love and care - it meant so much to her that God gave her extra time to spend with Dale and her family. I will miss her sparkling eyes and her mischievous grin. She was a pleasure to have known and will be missed so much. Jesus gained a spunky angel!! We are praying for comfort in the face of heartbreak.*
