“ Dear Ina's Family,

We are so sorry for your loss, yet grateful that Ina is free from the challenges and limitations of her mortal body. My wife and I visited her several times a month for the past several years as members of her church, the Church of Jesus Christ of Latter-day Saints.

Although her memory was very weak and she could not remember us, she was always cheerful and made us feel welcome. We tried to find out something new about her each time. She was very loving and kind and we are thankful to know her.

At Christmas and perhaps at other times during the year, we would bring our Cub Scouts or other youth to visit and sing Christmas songs to her. She especially loved those visits. Our grandson really loved seeing her, and she loved seeing him.

We look forward to the day when we will be able to see her again, either in the spirit world, or in the resurrection, when her mortal body will become perfect and immortal and join together with her beautiful spirit. We love her very much.

We hope you will let us know the date of her memorial service. We would love very much to attend and to meet you. Please let us know if there is anything we can do to help.

Take care.
