“ *Uncle Irvie was a special and caring person. I remember him coming to the Sunset Plaza shopping center to help me out when I had car troubles while I was attending Northeast Community college. More than that, the endless love and compassion he showed my Mom, Marcella during her final months will never be forgotten by any of us. It didn't stop there though. He continued to stay in touch with our family and even hosted 4th of July get togethers. I live in Colorado, but always enjoyed seeing both Irvie and Sue whenever the opportunity arose. Rest in peace dear soul.*
