Deepest Sympathy to all of you on the loss of your Jackie/mom. She was such a sweet lady from when I first met her and when I ran into her from time to time in Norfolk.

I think of you all during this difficult time, as my family went through the same thing one year ago with my mom. It's not easy, but you will always have her close to your heart through the memories you've shared.

Take Care,

“ *I'm so sorry for your loss Jackie was more than a classmate. She was a dear friend. Our friendship goes back to being neighbors on the farm and going to country school together. The walks home from school and eating watermelon when we got to my place. Our crosheying club and spending summers at each others places. Also car pooling to high school. We really packed the car with neighborhood kids. My memories of Jackie will live on forever.. Rest in peace . God's blessings to the fammily. Joyce Andersen*
