“ Hey big brother. I remember when I was about 6 or 7 you dared me to climb to the top of the fir tree in the back yard and said you would give me a model car you put together if I did it. Well I remember getting all the way to the top of that tree because I really wanted the model car. It seemed SO high but in retrospect I'm sure it probably wasn't. Thanks for all the memories of growing up with such big, tall brothers! I was and am a basketball fan because of you and John.
